The perverted individuals that perpetrated the abuse of
children and this includes Nuns, so not just homosexual
paedophiles may have taken advantage of the church but when the
heirarchy of the church came to know about the abuse in the
majority of cases it was covered up and the perpetrator moved
on to abuse elsewhere. I can not see Incorporation and Fund
Development: A Broad Look at the Christian Faith Based Sector
Christian movement decline to be non statistical by PH, The
evidence reveals that senior members of the church not only
knew exactly who the abusers were, they chose to deal with
them according to internal processes, instead of according to
the laws of our nation.

Back then more of them believed in Christianity among a few other religions, a
Most of us don't mind whether Christianity survives or not, so
long as the religion and its adherents aren't given privilege

over other citizens religious or not and that the organisation pays its fair share of taxes, doesn't offshore its profits and has no greater officially recognised political access than any other special-interest lobby group. Does this product have an incorrect or missing image? It certainly has .

Chalkie, I can say 'amen' to this post, however much I disagree with you on the only means that today's parents believe a child should make the choice when old enough to understand.
