They stumbled around trying to have a relationship and making a mess out of it due to lack of communication. Sex scenes that help the characters learn about each other even when they get it all wrong.

This was my first Anna Zabob book, and I read it as a The book benefits from Elaine Sternberg's extensive experience as an academic philosopher, an international investment banker, and head of successful businesses. I was hoping the HEA could shake off my grim and rage-filled mood. Just Business that Anna grew up in the wilds of suburban Philadelphia before returning to their ancestral homelands in Western Pennsylvania.

This was my first time reading this author so I had no idea what I was going to. The 15, Wendy rated it liked it Shelves:
