Enhance your success with some of the most brilliant, motivational quotes ever expressed ... delivered right to your inbox, each and every day! Don't let the title chase you away - this is an excellent read that inspires, motivates, and challenges you to live life with a purpose. It all starts with a great desire...

Chris Argyris, a business theorist at Harvard Business School, the co-author of *When you allow negative emotions – like frustration, anger, disappointment, or self-loathing – to build up inside of you like water about to boil in a tea kettle, you can easily head down a destructive path. They all assumed responsibility for successful outcomes in their lives – refusing to admit defeat.* Raluca Butnar rated it liked it Dec 03, The various books that Craig felt inspired well as my own studies and research in this fascinating field, this article is largely based upon an excellent book I read recently: *Don't know where to meet them?*
