Johari Window Model4. For example, while listening to the volume with which one speaks "might" indicate anger, if their "normal" volume is not considered then you might very likely be wrong in your judgement. Without addressing the behaviour that can cause irritation or annoyance, which may lead to misunderstanding, uneven relationships and a tense atmosphere. ThereasonwhyTMishouldbecarefullyselectedtobesharedwithjustanyotge See the Johari Window established team member example. Any aspect that you do not know about yourself, but others within the group have become aware of, is in your blind area. A firm, confident handshake is extremely important.
