Since the first century, they had formed an integral part of the Roman Empire and their educated classes of clergy and aristocracy spoke Latin as well as Brythonic an early form of Welsh. Disaster followed disaster and the Britons were pushed back on every border.

It was believed to be kept in a mysterious castle surrounded by a wasteland and he could not escape his fate, for in retreat he climbed the tower of a vassal which was set ablaze and just as Merlin the demon child had prophesied, Vortigern was consumed by flames. You can help Wikipedia by expanding it. As the commander of the elite British cavalry, Arthur the Dux Bellorum stood out at the head of his forces on a white horse.

In Rome herself was sacked by Alaric the Goth. What does this say about him? It was also the natural invasion route for the Irish from the west and the Saxons from the east across the North Sea. Not only would it have put King Arthur into his historical perspective, but it would have also provided some hilarious material:
