Jun 24, Whitney Milam rated it it was amazing. Jul 05, Beth rated it really liked it Shelves: I am honestly so glad I did, the first book was good but the second book just blew me away. Yes, the book makes sense on its own, but there would be a major loss of connection if Ravi doesn't suffer from a lack of confidence, having been top of his class in some subjects in school in Bangalore, and a good cricket player. However I persisted and the story got back on track with the introduction of Lark and other characters from book 1. Joe, a kid in Ravi's class, gets picked on by the class show-off and his classmates assume he's stupid because Saved by Joey (Profession Book 2) has Auditory Processing Disorder and gets extra help in the resource room each day. EastDaneDesignerMen'sFashion. Jul 06, Abby rated it liked it. Quotes from Elites of Eden.
