The Jewish Impact on Civilization. Have people always felt this way? But in Greek and Roman thinking, rather than being accorded the most protection, children were given the least; this happened simply because, as totally powerless, they were the easiest people to trample on or get rid of. For a limit must be fixed to the population of the state. Respect for human life. The whole attitude toward the weak and helpless was totally skewed in ancient societies. So we see how very different the attitude of antiquity was to. Respect for Human Life. My search for an answer to these questions has produced this book. The history of religion, presented in Spiro's highly readable style, is a fascinating and timely subject, especially in today's volatile religious climate.
