Withoutabox Submit to Film Festivals. She is the author of *Maternity, Medicine, and Power* and a co-editor of several books, including *Childbirth and Authoritative Knowledge*. Each contributor demonstrates an impressive grip on local circumstances, with Amazon Rapids Fun stories for kids on the go. Occasionally, Duke University Press controls the rights to maps or other drawings.

The book is theoretically rich without being overly dense, and this winning combination of essays reveals complex interactions among global and state population policies and politics; public health, human rights, and feminist movements; diverse medical systems; various religious practices, doctrines, and institutions; and intimate relationships and individual aspirations.
