Tehuana en el arte mexicano. Get to Know Us. In addition, it was possible to identify, inside the philately, the periods in which the revolutionary ideals, framed by the celebrations of past years, were glorified, which turned the stamps into a witness of the time and space in which they were produced, including the artistic dimension that generated. The museum was thankful with Fernando Leal Audirac for offering the archives. Among the Spaniard republicans that lived in exile in Mexico, Miguel Prieto had a very important place. He always tried to endow artistic education with freer trends. With two different ways of collecting and following the line of discourse of Gualdi was identified as an urban landscape painter of Mexico City during the second third of the 19th century. Through this exhibition, it was possible to appreciate the artworks of artists that traveled to Europe and conjugated local creativity and European tradition.
