Buying guide Track your progress. The best way to do that is to get prequalified for a mortgage.

Alternatively, a sales summary can be prepared by your solicitor and forwarded

One of the main conditions is often a valuation of the property to ensure a buyer isn't paying too much for a property. It's easy to look at properties that meet your current needs.

Use our calculator to determine whether a year or year fixed mortgage is a better option. Interest rates can vary amongst the loans available to you on the market. The opposite would be an adjustable-rate mortgage, or an ARM, in which the interest rate will adjust after the intro period, usually at regular intervals.
