Don't try to write the presentation in detail until you have decided on the content you need and created a rough structure from your random collected ideas and material. This powerful use of simple props created a wonderful connection between start and finish, and supported a concept in a memorable and impactful way.

Developing the confidence and capability to give good presentations, and to

Make sure you understand, and if appropriate control and convey, the domestic arrangements fire drill, catering, smoking, messages, coffee and lunch breaks. The Art of Balance: Amazon Inspire Digital Educational Resources. Planned chaos is actually a wonderful way to keep people involved and enjoying themselves. This stage often requires more time than you imagine if you have to source props and materials.
