The common theme to these is pairs of lovers couples separated by lamentable and complicated events; they are finally reunited and find the happiness they have longed. Sigmund Freud was greatly influenced by " El coloquio de los perros ", which has been called the origin of psychoanalysis.

In Cervantes published La Galatea a pastoral novel. Poetry in translation is the name of a great web in which it is possible to find many titles in different languages. Cervantes intended his novels should be to Spanish nearly what the novellas of Boccaccio were to Italians. Are there dramatically interesting ways to play characters on stage without falling into anachronisms or betraying the text?

Compared to his ability as a novelist, Cervantes is often considered a mediocre. A fit of depression, he emigrated to America three years later, hoping, he claimed, that yellow fever or smallpox would kill .
