First, not all crimes that are reported are officially recorded by the police. States of Denial Stanley Cohen. Although not as commonly referenced within the victimology literature as precipitation and provocation, the idea of facilitation is implicit within many studies and reports on property crimes such as burglary, motor vehicle theft, and more recently, identity theft.

Mawby and Walklate, Critical Victimology, Each criminal code sets out criminal

One of the requirements of the Jeanne Clery Act is that both parties be made aware of the outcome of all school judicial proceedings. Darley, The Unresponsive Bystander: From a legal standpoint, this type of rape carries the same penalties as stranger rape a felony yet is much more difficult to convince a judge or jury in court.

Traditionally males have used physical means to intimidate their victims, w instance, medical professionals might be required to provide services to persons in need and those who are disadvantaged. Newman reasoned that as space became more private, individuals would have more ownership of the space and be more aware of who should be in the space and who should not.
