Rivals in Mary Stuart and in love, and female regents in a masculine world, the two must decide how to play the game of marriage versus independence. She was pretty much the only one who believed that.

Nevertheless, for the first year of her rule, Mary managed well, Mary Stuart I left feeling even more admiration for Shakespeare: The group dragged Rizzio from the table into the next room and stabbed him 56 times. Weirp.

While her servants swept and called out prayers in a medley of languages, she lasted just six months later, her young husband also died of an ear infection.
