This substantial work by one of Europe's most respected twentieth-century legal minds unpacks Luther's doctrine of law, showing how it derived from his central theological concern, justification by faith. Religion in public service. The second volume The Free Exercise Clause, includes articles, amicus briefs, and court documents relating to regulatory exemptions under the Constitution, the right to church autonomy, and the rights of non-mainstream religions. This substantial work by one of Europe's most respected twentieth-century legal minds unpacks Luther's doctrine of law, showing how it derived from his central theological concern, justification by faith.

New Testament Studies John Studies. Expertly written by a leading scholar, the author offers a rare combination of profundity of ideas and simplicity of expression. The result is an unusually detailed and thoughtful account that upends common stereotypes while asking searching questions about the contested relationship between church and state.
