The antics of the three main characters are humorous and provide insight into the human condition. Rob, the middleman, is often frazzled from dealing with them, or more specifically, from dealing with Bucky's destructive nature and overall nastiness.

Bucky also owns a rag doll named "Ms. She has the fur pattern of a Border Collie". Their interactions and domestic repartee not only appeals to pet lovers but also to any cartoon fan who gets a kick out of the idiosyncrasies of life between any co-dwellers. Trivia About The Stinking: Mild-mannered Rob can barely manage Bucky, who some might say is deranged, and Satchel, who usually ends up being the patsy.
